Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for John Lennon

How You Approach Relationships

You tend to be impetuous and daring in the way you come across. Your seeming innocence does not always make up for a tendency to be too direct at times -- some might say rude. You fall in love easily, often, and you are not afraid to rush into a relationship. Above all, you always seem to go after those with manners, education, and a dignified appearance. You love to be the bull in someone's china shop. You tend to seek a real diplomat for a partner, one who delights in smoothing over your rough spots.

Libra on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

Everything seems to move through you once you get around other people. You have real communication skills that make you a perfect interface for others -- the negotiator. You value intelligence and articulation, especially in a partner. You are never happier than when you find yourself in meaningful conversation, surrounded by sparkling wit, clever thoughts, and all that is mercurial. You may come to know writers, reporters, announcers, and investigators.

Mercury in 7th House

Report for John Lennon

Strengths in your relationships

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Trine Mars (orb: 00 53')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Sextile Pluto (orb: 01 32')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Conjunction Neptune (orb: 06 38')

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 07 07')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 07 31')

You have a knack for coming up with just what the crowd wants. You are nothing else if

not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 07 59')

Report for John Lennon

Challenges in your relationships

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Opposition Pluto (orb: 00 39')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Square Pluto (orb: 04 22')

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Opposition Saturn (orb: 04 39')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Square Mercury (orb: 05 01')

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

Mercury Opposition Jupiter (orb: 05 08')

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

Venus Square Uranus (orb: 07 40')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really

about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 09 40')

Report for John Lennon Your Relationship with Yoko Ono

There is almost a sense of mystery about your relationship with Yoko. You cannot hide things from her, so there are no formalities when you are around her. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. She might act as your agent, or as a go-between.

Her Moon in Your Eighth House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Yoko. She has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with her that they are not worth the hassle. She really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

Her Sun in Your Twelfth House

You probably have some very unusual communication with Yoko. She is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with her. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. She tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

Her Mercury in Your Twelfth House

Yoko may have been attracted to you because of the friends and acquaintances you have. She values shared goals and common ties, in particular if they have some kind of moral or humanitarian purpose. You may work and live together as part of a project or community. You may be just friends and never lovers. She has a sense of your hopes and dreams, and loves you for them. She finds your friends uplifting and worthwhile.

Her Venus in Your Eleventh House

When all is well, the two of you manage to get a lot done, attending to all of the responsibilities that need caring for. She drives you to a greater response than you could provide on your own when it comes to taking care of business. However, if you are the least bit upset or overloaded, you may experience Yoko as too much of a good thing. She may irritate you. Or you may get critical and petty with one another. The whole thing can be hard on your nerves.

Her Mars in Your Sixth House

You love to work together. Yoko has a knack for getting you involved and feeling more

responsible. She may introduce you to many new ideas concerning food, health, exercise -- new-age ideas. You may have found yourself caring more about other people and about all of life when you are with her. You have become more self-sufficient through knowing her. She may influence your work situation too, especially in how you get along with subordinates.

Her Jupiter in Your Sixth House

Whatever this relationship may or may not be, it probably is not a social triumph. Yoko may tend to be a damper when it comes to group or community get-togethers. Your friends may not like her, or she may be critical of the goals of a particular group. Any groups she might approve of would have very strict morals and ethics. She may simply not like to get together in groups.

Her Saturn in Your Eleventh House

Never dull, you find Yoko's offbeat ways and independent manner exciting. There is always a sense of the unusual or unexpected when you are together. She may lead you off the beaten path, introducing you to new and unconventional people and places. There is a bohemian flavor to this relationship.

Her Uranus in Your First House

If this is anything else but a brief philosophic or artistic tryst, you may have to take some preventative measure. Yoko tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and she may not be the first one to suggest it. She may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

Her Neptune in Your Sixth House

You have an immediate gut reaction from Yoko, especially when she challenges your more traditional ideas of security -- home and family. She can be a disruptive force in your day-to-day routine and home life. She knows just how to get at you, and you may become very emotional when the two of you are together. You may find yourself hiding this relationship, reserving it for times when you can be alone with her.

Her Pluto in Your Fourth House

Report for John Lennon

Strengths in your relationship with Yoko Ono

You somehow are able to put Yoko's dreams and ideals into words. She finds you very imaginative, even eloquent, and may love poetry and music that you write. There is a basic sense of shared ideals, and you have long dreamy conversations.

Your Mercury Sextile Her Neptune (orb: 00 31')

Talk, talk, talk. You both love to do it. You both understand each other so well that words are hardly necessary. There is a real sense of shared ideas -- a common mind.

Your Mercury Trine Her Mercury (orb: 00 40')

You have always known that she loves you, and you can't help but find this charming. You have a sense of being valued and appreciated for the right reasons. This is a warm and affectionate relationship.

Your Sun Trine Her Venus (orb: 02 29')

You understand how she feels, and you find it is easy to cheer her up and generally facilitate her emotionally. She is very supportive, even protective of you. This is a healthy relationship.

Your Sun Sextile Her Moon (orb: 05 09')

You value her dreams and idealistic nature. There is an almost otherworldly sense that develops when the two of you get intimate -- your own magic bubble. She enchants you. Movies, music, and moods are something you can enjoy together.

Your Venus Conjunction Her Neptune (orb: 05 52')

This is a good working relationship. Yoko tends to bring a real sense of discipline and order into your life. You feel like making a sustained effort when you are with her. You can't help but support her sense for organization and order.

Your Moon Conjunction Her Saturn (orb: 06 12')

This could be a real working relationship. Yoko has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

Your Sun Trine Her Saturn (orb: 06 32')

She manages to exert a good influence on your drive to succeed, bringing discipline and order that you may lack. There could be a long-term and hard-working relationship. She manages your talents with skill and understanding.

Your Mars Trine Her Saturn (orb: 07 04')

You find it easy to talk to (sometimes at) Yoko, and you think about her a lot. She encourages you mentally, and may support some communication project you are involved in --

speaking, writing, etc.

Your Mercury Trine Her Sun (orb: 09 11')

Report for John Lennon

Challenges in your relationship with Yoko Ono

She is critical of your ideas, and you may feel somewhat tongue-tied when you are around her. She may feel that you refuse to consider her problems or that you dismiss them with a few words.

Your Mercury Square Her Saturn (orb: 01 11')

You may not like many things about Yoko, and she may feel that you refuse to give her credit or to recognize her values and ideas. She has a way of going on, with or without your approval. There is a kind of stalemate.

Your Venus Opposition Her Sun (orb: 03 50')

You never know what to expect with Yoko. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

Your Sun Opposition Her Uranus (orb: 04 17')

You don't like the way she thinks and expresses herself. You just don't appreciate many of the things she says to you. This bugs her, and she may insist on going against your own set of values.

Your Venus Opposition Her Mercury (orb: 04 41')

She doesn't appreciate the way your mind works. Your words are wasted on her. You may find yourself being mentally critical of her ideals and sense of values. She doesn't like the way you think.

Your Mercury Square Her Venus (orb: 05 14')

She may feel that you pooh-pooh her fears and worries. Her own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep her little confrontations. There could be a bit of a power struggle, complete with explosions.

Your Sun Square Her Pluto (orb: 05 22')

There may be some hurt feelings on Yoko's part because she feels unappreciated by you. You don't always give her the credit that she feels she is due. She may refuse to give you the kind of support and nurturing that you're looking for. You both tend to be at loggerheads over this.

Your Venus Square Her Moon (orb: 07 55')

How You Approach Relationships

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners anything but cool. You can't

resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

Aries on 7th Cusp

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

Mars Ruler of 7th

You will find yourself involved in unusual relationships, or your partner will be unusual. Relationships will be a continual source of inspiration and freedom. They will always be taking unexpected twists and turns. The partners you choose tend to be unique and very independent or self-absorbed. Inventors, technicians, and computer-related persons may figure in your social life either as partners or friends.

Uranus in 7th House

Report for Yoko Ono

Strengths in your relationships

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Sextile Saturn (orb: 01 23')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Sextile Venus (orb: 02 40')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Conjunction Saturn (orb: 04 03')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Conjunction Jupiter (orb: 05 34')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Conjunction Neptune (orb: 06 03')

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. You appreciate a partner who is eager to listen to you and supports what you have to say.

Sun Conjunction Mercury (orb: 08 31')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 09 25')

Report for Yoko Ono

Challenges in your relationships

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

Mercury Opposition Neptune (orb: 01 11')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Square Neptune (orb: 02 03')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Square Mercury (orb: 03 14')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 03 60')

You really put a lot of feeling in what you say. Others sense in you high energy and a certain tension that's always there. You have a quick mind, an even sharper tongue, and God help anyone who is foolish enough to try arguing with you. You tend toward impatience and irritability. Those who are close to you know that you often bitterly regret what you may blurt out in an instant.

Mercury Opposition Mars (orb: 07 14')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner

will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Square Jupiter (orb: 09 34')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Opposition Neptune (orb: 09 42')

Report for Yoko Ono Your Relationship with John Lennon

You probably felt at home with John right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. He feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

His Moon in Your Fourth House

Your meeting John was exciting and action oriented. In many ways, you are two of a kind. Chances are that you identified with him at once. After all, he is very much like yourself -- like looking in a mirror. Just the person to draw you out of yourself and get you doing things. He may have brought a sense of adventure and risk into your life. You found yourself doing things with him, daring to live, and making a statement. You found yourself really coming across with him, being all that you can be. As corny as this sounds, the world has really been more responsive to you since you met John.

His Sun in Your First House

He becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that he truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find his suggestions to the point and almost always productive. You might like to take him on as a business partner just for his financial insight.

His Mercury in Your Second House

John may have been attracted to you because of the friends and acquaintances you have. He values shared goals and common ties, in particular if they have some kind of moral or humanitarian purpose. You may work and live together as part of a project or community. You may be just friends and never lovers. He has a sense of your hopes and dreams, and loves you for them. He finds your friends uplifting and worthwhile.

His Venus in Your Eleventh House

John has the effect of moving you to give up old habits and unwanted traits. He motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, he may tend to badger and shame you a bit. All in all, his influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

His Mars in Your Twelfth House

The two of you relate very directly with one another. He may have led the way in this regard. There are no secrets between you. All of the superficial is quickly brushed aside, and words are not always needed between you. There is a strong passionate or sensual side to this relationship. John could be an excellent business partner for you. He has good sense and a nose for what counts and is worthwhile.

His Jupiter in Your Eighth House

It may be hard to get personal with John, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

His Saturn in Your Eighth House

John is very direct. He seems to cut to the very heart of a situation, which sometimes leaves you feeling exposed and vulnerable. Yet time spent with him can be terribly exciting. You find yourself wanting to get rid of a lot of excess social baggage when you two are together. You may tend to spend a lot of time alone due to the very sensitive and open relationship you share. He may be able to lead you into making some very shrewd and innovative business deals.

His Uranus in Your Eighth House

This relationship is potentially a very useful one. Through John you get a real sense of self-sacrifice and working for the benefit of all mankind. You may be swept up in an almost dreamlike state, able to be very forgiving and understanding. You may feel a little saintlike. On the down side, the whole thing can find you carried away to the point of neglecting the realities of life. You might give all your possessions away. Who knows if that would be a good or a bad thing?

His Neptune in Your Twelfth House

John exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and he is not afraid to let you know about it. From the first time you met, he probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing him.
